

# Trading company

## SERVICES

Through the trade company services, import operations to our country can be carried out enjoying the tariff privileges of the border regions, optimizing their international purchases with the accounting convenience of receiving only one invoice for everything that implies an international operation, facilitating the real cost of that international operation.

## CONVENTIONS, EXHIBITIONS, AND EVENTS

We offer the freight forwards and logistics service for any event in Mexico and abroad.

We have more than 10 years of experience in the coordination and planning of various events, offering to the hospitality industry support to its congressmen, complying with all the tariff regulations of our country for the success of the groups that plan their events in this tourist district.

## PURCHASING AGENCY

We are an extension of your purchasing department, which seeks help to find the best solution to your needs in the shortest possible time, focusing on the hotel and restaurant environment with all the quality standards in franchises.
